

3RD SATCC SYMPOSIUM
ON

ADVANCES IN EARLY DIAGNOSIS
&
TREATMENT OF COLORECTAL NEOPLASIA

23 MAY 2025

HOTEL CHRISTIANSMINDE

THE SYMPOSIUM IS FOCUSING ON ADVANCES IN THE EARLY DIAGNOSIS AND TREATMENT OF COLORECTAL NEOPLASIA, RENOWNED INTERNATIONAL EXPERTS WILL PRESENT THEIR VIEWS AND RESEARCH ON TOPICS SUCH AS CAPSULE ENDOSCOPY, ARTIFICIAL INTELLIGENCE, QUALITY PARAMETERS OF COLONIC INVESTIGATIONS AND INTERVENTIONS.

PROGRAMME

08.30 Breakfast

09:00 Welcome and introduction to the programme
Dr. Niels Buch

1. Session “Capsules”

Chairpersons: Profs. Jens Kjeldsen & Anastasios Koulaouzidis

09.15 Will a combination of FIT and capsules in primary care allow a better triage?
Prof. Jens Søndergaard

09.35 The story of colon capsules in Scotland – What have we learned from ScotCap?
Prof. Angus Watson

09.55 Panenteric capsule endoscopy – Is it now time?
Dr. Michael Dam Jensen

10.15 IBD and Capsule endoscopy
Dr. Ian Arnott

10.35 CFC2015 – Denmark's contribution to a wider capsule adoption
Prof. Gunnar Baatrup

10.55 Panel Discussion

11.25 Coffee

2. Session AI in colonic investigations

Chairpersons: Prof. Yuichi Mori & Dr. Benedicte Schelde-Olesen

11.45 Current status and guidelines
Prof. Kostas Triantafyllou

12.05 AI in colon capsule endoscopy – where we stand?
Prof. Esmaeil Nadimi

12.25 AI in colonoscopy
Prof. Yuichi Mori

12.45 Discussion

13.15 **Lunch**

3. Session Quality in colonic investigations

Chairpersons: Dr. Anders Høgh & Dr. Søren Meisner

14.00 Adenoma and SSL detection as key performance indicators in colonoscopy
Prof. Monika Ferlitsch

14.20 Polyp detection rates in colonoscopy and camera capsules
Prof. Anastasios Koulaouzidis

14.40 Resect and Discard; realistic polypectomy in 2025
Prof. Alessandro Mussetto

15.00 How to ensure high colonoscopy quality in Denmark
Dr. Morten Rasmussen

15.20 Panel discussion

16.10 Coffee

**4. Session “Facets of colorectal neoplasia endoscopic treatment”
Chairman: Dr. Niels Buch & Dr. Anders Høgh**

16.30 Underwater polypectomy
Prof. Sergio Cadoni

16.50 Advanced endoscopic resection - ESD & EID, single center experience
Prof. Henrik Thorlacius

17.10 Endoscopic treatment for early CRC, where do we stand? - SCAR & ETHOS
Dr. Jens Aksel Nilsen

17.30 TBA

17.50 Panel discussion

18.20 Wrap up
